Library overview, general rules & procedures, and Learning Resource Systems.

**APA Assistance**

References for APA assistance.

**Purdue Owl**

APA resources, examples, explanations.

**APA Official Website**

APA resources, examples, videos, tutorials, explanations, and handouts.

**Textbooks for Students**

There are many options for places to buy, sell and rent your textbooks, but buying online is the easiest way to compare prices. Search by title, by author, or with the codes that identify specific book editions, known as ISBNs. Compare multiple stores and online marketplaces to get the lowest prices.

**Amazon Textbooks**

**Textbooks Buy & Sell Website**

**Direct Textbook**

This website compares and finds the lowest prices for new, used, rental, and ebooks across vendors and stores for textbooks.
